Re: Request for Consent to Colocation at UScellular's Site #786378

UScellular is committed to working with others in the wireless industry to make maximum use of existing infrastructure, and thereby, help reduce the need for additional tower construction. In adherence with the Telecommunications Act of 1996, we are allowing T-Mobile to apply to colocate at the tower site we constructed on your land located at 296 Prospect Street, Lodi, WI 53555. We would like to accommodate T-Mobile's request, and pursuant to Section 20, Subleasing, of the Ground Lease, we are requesting that you provide your consent of this arrangement by signing this letter.

Thank you for your cooperation in this matter, and should you have any questions please feel free to call me.

Sincerely,

Erich Rose
