

Parks Report

- Smores in Goeres is this weekend after Light parade
- Parks are buttoned up for winter
- Ice rink is full looks like it is holding water so far.
 - The guys are planning to pull the pump and clean it out
- Goeres park water meter was changed to AMI meter and found an error in how meter was being read.
 - Water usage is still high, but not as out of hand as first thought.
 - Will be a credit to the city from utility to rectify
 - After finding this, going forward we are looking onto process to approve utility bills that go to parks/city.
 - Also, with new meters, we can set usage monitors to alert high usage and catch before it is billed.
- Goeres park signage/all parks
 - Steel sign was removed at Fair and Main entrance. Needs new signage at entrance
 - Most signage at all parks should be updated
- After ground freezes, we will start cleaning up volunteer trees and overgrowth along N Main in Goeres

Utilities and Public Works

Electric

- Hired Dave Koenig as new Lineman.
- Wrapping up a few minor maintenance projects and will start tree trimming
- Helping with install of water AMI

Water
