Boundary Plat of Survey:

Thank you for the opportunity to prepare a proposal to survey your property being parcel # 11246-143 and known as Habermann Park in the City of Lodi, Columbia County, Wisconsin. Williamson Surveying and Associates LLC will establish the property boundary and provide a map of the work performed on the property. This will include the following required items:

- Research required for past survey maps and descriptions property on the and on adjacent lands.
- Feld work establishing and verifying boundary property lines and to set new property corners.
- Williamson will obtain a Tittle report for the park property
- We will determine the floor elevation of the existing park shelter with benchmark and datum.
- Prepare plat of survey and map in accordance with AE 7 of the Administrative Code of the State of Wisconsin and file copy of survey map with the City Clerk and Columbia County Land Information Office.

Compensation: The fees for professional surveying services will be \$4700. Deliverables will be available for review in approximately 6 weeks. The fee shall be due in full 30 days after completion of the survey. In the event the Client fails to pay the fee, Williamson Surveying shall be entitled to recover its actual and reasonable collection costs, including, but not limited to, its actual attorney fees and costs.

Endorsement: The undersigned hereby accepts this proposal for professional surveying services and hereby authorizes Williamson Surveying & Associates, LLC, to proceed with the services listed above, subject to all conditions contained in this proposal. In the event of an unforeseen conflict due to a discrepancy in the description, an encroachment upon, over or across the parcel, or any other issues which would result in additional work not covered on this proposal but necessary to complete this survey, Williamson Surveying will stop work on the current proposal until such time that the issues at hand can be resolved and a new proposal can be finalized, including any necessary modifications to the Scope of Work, Client Responsibilities, and Compensation.

Merger: This instrument constitutes and contains the entire agreement between Williamson Surveying and the Client.

Modification: Any modifications to this proposal must be made in writing
