**6. ECCJMC Monthly Report**

The ECCJMC summary comparative monthly report was reviewed. No discussion or questions on financials.

**7. EMS Monthly Report**

Attached reports were reviewed. Hansen asked Smith if he knew any details about the crash involving Lodi EMS. Smith only knew that it occurred in Middleton and Middleton PD would have taken the report on it. Hansen noted significant damage to the ambulance involved and chassis/cab beyond repair. No additional discussion or question on financials.

**8. Fire Department Monthly Report**

Attached report reviewed. Strasser was absent/excused from the last Fire Commission meeting. Only update to provide to the committee was that the Fire Commission passed the budget, and it should be presented to Finance & HR soon. No additional discussion or questions on financials.

**9. Police Department Monthly Report**

Smith discussed calls for service/month of August were at 568, averaging 18 per day. As of August 31<sup>st</sup>, 2021, the PD was at 4,065 calls for service. No trends or concerns currently. One ICAC (Internet Crimes Against Children call is an ongoing/active investigation). No major issues at the Fair or over Labor Day weekend. Numerous parking citations were issued in the temporary no parking area of Fair Street. There were also a few non-custodial arrests. When Strasser asked for clarification on non-custodial arrests, Smith advised it involved a cite/release

rather than an in custody booking/transport to the Jail. Discussion on financials: The K9 balance and Asset Forfeiture balance remain unchanged. Income Statement Revenue: Bar Buddies Grant not applied for, will remain at \$10,000. Income Statement Expense line items likely to go over: LE Subscription/Support Agreements, Operating Supplies, Uniform & Recruitment. Other expense line items were under for the year and Smith felt that the PD would be under budget or just at budget for the year. Hansen asked what was covered under Covid-19 Supplies. Smith advised two UVC lights and that cost was offset 100% by a grant written by Lt. Nichols. No additional discussion or questions on financials.
